Meals / Prices:

The prices for the lunch will be around 8 to 9 EUR, children's plates are correspondingly cheaper. For the evening we try to organize an evening buffet, whereby we want to keep the price as low as possible. The 6 to 8 EUR indicated on the registration form (children correspondingly less) are not yet fixed prices, as we still have to request offers here. At the moment, it looks like we can offer it to cost prices.

We will inform you in good time before the conference about the prices and food options offered separately. However, we need the number of applications in order to obtain corresponding offers.

Donations:

The conference will be financed 50% from the conference contribution (see registration). The remaining 50% is covered by voluntary donations.

Hiking

The Ebnit landscape offers family-friendly hiking trails, paths and alpine trails. The Rappen- and Alplochschlucht ('gorge') above and below the Staufensee, cut into the rock by the Ebniter Ache in thousands of years of work, lure with wild schrofen, just one example of many.
